NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN to all persons in the Village of Almena that a public hearing will be held on Tuesday, March 12, 2019, at 6:00 PM at the Village Hall, 131 Soo Ave East, to inform the public and to solicit comments on the Wastewater Treatment Facility Plan.

The Almena wastewater treatment facility was originally constructed in 1978. Due to the age of the facility and new low phosphorus limits, upgrades are needed for the facility to remain in compliance. Proposal is to upgrade chemical addition and facility aeration (course bubble to fine bubble), supplemented by MDV, to meet phosphorus limits, in addition to facility upgrades to the original 1978 design.

NOTICE IS FURTHER GIVEN that a copy of the Wastewater Treatment Facility Plan is available for viewing during business hours at the Almena Village Hall and on the Village of Almena website www.villageofalmena.com
